

YOUR WEDDING AT FIRST UNITED METHODIST CHURCH (FUMC)

Leavenworth, Kansas Members

We know that this is a very important time in your life! We are glad that you have selected this church and this community of faith to celebrate your wedding. We are happy to be involved in the planning of this very special event in your life.

You have chosen to be married in a Christian Church, by a Christian minister, using a Christian service. The wedding service is primarily a Service of Worship. Ultimately, as in any worship experience, God is to be glorified, the Christian home is to be honored, and the name of Jesus Christ is to be uplifted.

SETTING THE DATE

As soon as possible, you should contact the administrative assistant of the church (913) 682-5374 for setting the date and time for your wedding, rehearsals, and reception (if requested). The administrative assistant will check with the Pastor for clearance of the date and time. Once cleared, a \$50 deposit is required to add the date to the church calendar. Please do not print wedding invitations before the date has been reserved by the office and placed on the church calendar. The \$50 deposit is refundable up to 30 days before the wedding if you choose not to have your wedding at the First United Methodist Church.

November 14, 2017

Once the date is on the calendar the church's administrative assistant will work with you and answer all your questions regarding your wedding in our church. Contact the church administrative assistant to set a date and time for mandatory pre-marital counseling with the Pastor.

WEDDING COORDINATOR (S)

If you decide to use the Church wedding coordinator instead of an outside consultant, they will help you with your arrangements in regards to your wedding and rehearsal in the First United Methodist Church. This is not mandatory but if you choose to use our coordinator, there will be a fee as listed further down in this covenant. Once the date is confirmed, the wedding coordinator will be your primary point of contact in dealing with the FUMC. The church administrative assistant will give you the name and phone number of our wedding coordinator.

OFFICIATING MINISTER

All weddings held at FUMC will be officiated by the appointed Pastor or an approved Pastor associated with the Protestant Christian tradition to help preside. The wedding license will be handed to the officiating Pastor prior to the wedding rehearsal.

PRE-MARITAL COUNSELING

You will need to set a time for pre-marital counseling with the Pastor. In most cases, there will be three or four counseling sessions one hour in length preceding the wedding.

WEDDING BULLETIN (optional)

A bulletin announces to the wedding guests that this is a worship service and serves as a memento of the occasion. Many beautiful and attractive designs for bulletin covers are available at bookstores or Christian bookstores. If you provide the bulletin cover, the church can print the bulletin for you for a nominal fee.

WEDDING REHEARSAL

Usually the rehearsal will take place the evening preceding the wedding. The rehearsal will be directed by the Pastor and assisted by staff or wedding coordinator. The wedding procedures and protocol will be explained at the rehearsal. The bride, bridegroom, attendants, ushers, parents of the bride and groom, candle-lighters and other wedding participants are expected to be present at the time of rehearsal. If you desire to use the FUMC Fellowship Hall for a catered rehearsal dinner, please make arrangements with the staff or wedding coordinator.

MUSIC FOR THE WEDDING (Organist and Soloist)

We have some wonderful musicians on staff at FUMC. If you wish to attain the services of our church organist/pianist and/or a soloist, please contact us for information. The FUMC Music and Arts Ministry will be happy to share this occasion for a suggested honorarium as listed in this covenant. If you would like to arrange for a soloist from our church, contact the Administrative Assistant or wedding coordinator to be put in contact with the church's Director of Music and Arts Ministry to recommend soloists. At some point in time you will need to schedule a date and time to meet with the organist and/or soloist to select music for your wedding.

WEDDING RECEPTION

The Fellowship Hall and kitchen are available for a cake and punch reception for a rental fee. Candles can be used during the reception and we can make arrangements for them but special care should be taken.

NURSERY

The FUMC nursery is available for use during the wedding, reception, or rehearsal dinner. For everyone's safety we request you use at least 2 trained nursery workers if you desire to use the nursery. We have people who are Red Cross or Safe Gatherings trained who could be available for these times if you request them. See the fee schedule below for the hourly charge for the nursery workers.

SOME GENERAL RULES

1. Because this is a public place, Kansas Law prohibits smoking on any of the FUMC campus. Our Methodist guidelines prohibit the use of alcohol in any of the FUMC buildings or the church grounds.
2. We ask that you use alternative ways to celebrate the wedding instead of rice or birdseed. Some suggestions are bubbles, or ringing of bells. These options are environmentally friendly and make clean-up much easier.
3. If you have a Flower Girl, please let us know if you plan to scatter live flower petals in the sanctuary as it may stain the carpet.
4. We suggest you inform the professional photographer and your guests not to take flash pictures or move about during the service as this is distracting from the sanctity of the service.
5. Video taping during the wedding in the sanctuary is permitted from the balcony if it does not distract from the service.
6. We ask that services not be scheduled later than 7:00 p.m. on Saturdays so the church can be properly prepared for Sunday services.
7. There are certain weeks where the church is especially busy, such as Holy Week (the week prior to Easter) and the week prior to Christmas. Those days and Sundays are not available for weddings.

OTHER WEDDING NOTES

1. If you have a private wedding coordinator, you can work with them for flowers, altar, sanctuary, rehearsal, and reception decorations. If you choose to use our coordinator, we will help you with these items.
2. The wedding party may have access to the church sanctuary and dressing room areas prior to the wedding and not more than two hours after the wedding. If additional time is needed, please make your needs known to the church staff or wedding consultant.

3. The church has candelabra and pew lanterns that you may use for your wedding. For safety reasons we ask that you please extinguish the candles as soon as possible after the wedding.
4. A kneeling bench is available if the couple would like to use it for prayer during the wedding ceremony.
5. When pictures are taken before the service and the Pastor is requested to be in one of the pictures, please take the picture with the Pastor at the end of the session. If the pictures are taken following the service, please take the picture with the Pastor first. Thank you!

WHAT NEXT?

Now that you have read all this, what do you need to do? Pause for a moment and say a prayer for your soon to be life partner and ask God to bless your marriage. Contact the church staff to set the wedding date and make your \$50 deposit. The administrative assistant will set up an appointment with the Pastor for pre-marital counseling. At this time, you can share your plans for your wedding and ask any questions. Following this meeting, sign and turn in the contract to the church office. Take a deep breath. Keep smiling. Have fun. We look forward to making your wedding a beautiful time in your life.
