Pastor Carter is an ordained elder in the Western North Carolina Conference and serving on loan to the Great Plains. I grew up in North Carolina and Virginia, but this isn't my first time moving west—Carter spent a few years in Colorado between college and seminary. She served several appointments back in North Carolina and absolutely loves being a pastor and helping people grow in faith. She is a long-time lover of ice cream and a new Chiefs fan. When I'm not at church, Carter absolutely loves hiking, cooking and spending time with her friends and family.

The Hub's mission is to provide hospitality, build community, and unite people. We are focused on developing deep relationships with our neighbors in the Argentine community and we are also working with churches across the Kansas City District to connect them to the Argentine and Wyandotte County communities. Our ministry is modeled on Asset Based Community Development which celebrates God's abundant gifts and creation in every individual. Right now, we are focused on getting to know our neighbors and building community through community organizing and intentional listening. We continue to provide a food pantry on Tuesday mornings and we partner with Better Together to offer a monthly medical clinic on the first Saturday of the month. We are excited about a new partnership with Youthfront and together we offer learning pods to support of students during virtual learning. As we build community, we hope The Hub grows into a new church start with worship and discipling small groups. To serve with us, fill out our volunteer interest form at bit.ly/volunteeratthehub . Learn more at our website www.thehubargentine.org.

The Hub is always in need of toilet paper and is currently collecting blankets & coats in all sizes.
