

Because of predicted snow and extreme low temperatures, all in person Sunday activities have been cancelled. We will have a special presentation you won't want to miss online at 8:30 and 11:00 am on Sunday.

Ryan and Myranda Agnew will be sharing their personal testimonies of how God has been working in their lives as foster parents. Ryan is the Worship Minister at Westside Family Church. Myranda was the Director of the Community of Hope for five years and now she is the Regional Coordinator for the Kansas Statewide Homeless Coalition.

They have been foster parents for three years. They recently moved to the Joy Meadows Foster Care Community to be more integrated with their services. In 2025, they had twenty children from all over Kansas stay in their home from a couple of days to months at a time.

You will be inspired by their story of saying "yes" to God.
